

REMARKS

Applicant concurrently files herewith a Submission of Replacement Formal Drawings in which Figures 7-8 are designated as "Prior Art".

In response to the Examiner's restriction requirement, Applicant hereby elects the invention of Group I (e.g., drawn to telecommunication device having a transmitter and receiver at the same station with radio telephone equipment detail being a base station detail, as defined by claims 17-34), without traverse. Applicant reserves the opportunity to file a Divisional Application for the non-elected invention later.

Early, favorable prosecution on the merits is respectfully requested.

Should the Examiner find the application to be other than in condition for allowance, the Examiner is requested to contact the undersigned at the local telephone number listed below to discuss any other changes deemed necessary in a telephonic or personal interview.

A conditional petition is made for any extension of time which may become necessary. The Commissioner is authorized to charge any fees for such extension and to credit any overpayment in fees to Attorney's Deposit Account No. 50-0481.

Respectfully submitted,
